Team,

YOU have remained hard at work this week and it showed.

Diana is leading the SACC Asbestos Review and held a call with the members and program office.

Membership for 2021 published, last week, and this week we promoted the link and reminded political leadership we are accepting nominations. Thank you Sue for taking the lead on membership & outreach plans.

Thanks to many on AALM, the draft thanks to several hands was sent to the members this week for review and we are wrapping up getting everything posted and ready for the call on the 23rd.

Thanks to everyone on the efforts re: Economic Guidelines....as we move to finding a remote meeting solution for the call on the 23rd.

Aaron is busy preparing for the April 27th call, a FOIA and the database conversion.

The Board continues working hard and -MATS report should be done this week and thank you everyone supporting the Board with notetaking, minutes, ethics data calls, etc.,

That includes the Admin team dealing with time, travel, and phones, contractors, ethics, CMS, recordkeeping to straighten our records from 2019 membership and databases, etc.,

So, this is a shout out.....THANK YOU ALL.....

WOO HOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO.

(khanna screaming distantly....quite distantly)
